### CHORDS USED IN THIS SONG

And I [G\*] know she'll be the death of me, at [F\*] least we'll both be numb  
And she'll [Am\*] always get the best of me, the [Am\*] worst is yet to come  
But at [G\*] least we'll both be beautiful and [F\*] stay forever young  
This I [Am\*] know, (yeah) this I [Am\*] know

She told me, "Don't [G] worry [F] about it."  
She told me, "Don't [Am] worry no [Am] more."  
We both knew we [G] can't go with-[F]-out it  
She told me you'll [Am] never be [Am] alone-oh-oh, whoa

[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but [Am] I love it, oh  
[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but I [Am] love it, oh

And I [G] know she'll be the death of me, at [F] least we'll both be numb  
And she'll [Am] always get the best of me, the [Am] worst is yet to come  
All the [G] misery was necessary [F] when we're deep in love  
Yes, I [Am] know (yes I know), girl, I [Am] know

She told me, "Don't [G] worry [F] about it."  
She told me, "Don't [Am] worry no [Am] more."  
We both knew we [G] can't go with-[F]-out it  
She told me you'll [Am] never be [Am] alone-oh-oh, whoa

[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but [Am] I love it, oh  
[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but I [Am] love it, oh

[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but [Am] I love it, oh  
[G] I can't feel my face when I'm with [F] you  
But I [Am] love it, but I [Am] love it, oh [\*]

She told me, "Don't [G] worry [F] about it."  
She told me, "Don't [Am] worry no [Am] more."  
We both knew we [G] can't go with-[F]-out it
