[Bbm] [F#] [F] [F#]/[Ab]/

[Bbm] [F#] [F] [F#]/[Ab]/

[Bb] You could never know [Eb] what it's like
[F] Your blood like winter freezes [Bb] just like ice
And there's a [Gm] cold lonely light that [F] shines from you
You'll [Gm] wind up like the wreck you [Eb] hide behind that [Bb] mask you use [Bb]
[Bb] And did you think this fool could [Eb] never win?
Well [F] look at me, I'm coming [Bb] back again
I got a [Gm] taste of love in a [F] simple way
And if you [Gm] need to know while I'm still [Eb] standing you just [Bb] fade away

Don't you know [Bbm] I'm still standing better than I [Ab] ever did
Looking like a [F#] true survivor, feeling like a [F#] little kid [Ab]
[Bbm] I'm still standing, after [Ab] all this time
Picking up the [F#] pieces of my life without you [F#] on my mind [Ab]
[F#] I'm [Ab] still [Bbm] standing... [F#] Yeah yeah [F] yeah! [F]
[F#] I'm [Ab] still [Bbm] standing... [F#] Yeah yeah [F] yeah! [F]
[F#]-[Ab]

[Bb] Once I never could [Eb] hope to win
[F] You starting down the road leaving [Bb] me again
The threats you [Gm] made were meant, to cut me [F] down
And if our [Gm] love was just a [Eb] circus you'd be a [Bb] clown by now

Don't you know [Bbm] I'm still standing better than I [Ab] ever did
Looking like a [F#] true survivor, feeling like a [F#] little kid [Ab]
[Bbm] I'm still standing, after [Ab] all this time
Picking up the [F#] pieces of my life without you [Ab] on my mind
[F#] I'm [Ab] still [Bbm] standing... [F#] Yeah yeah [F] yeah! [F]
[F#] I'm [Ab] still [Bbm] standing... [F#] Yeah yeah [F] yeah! [F]
