

Teenagers

Difficulty = !!

My Chemical Romance

CHORDS USED IN THIS SONG

They're gonna [E] clean up your looks
[E] With all the lies and the books
[E] To make a citizen out of you [B]
Because they [A] sleep with a gun
And keep an [E] eye on you son
So they can [B] watch all the things you do [E]

[E] Because the drugs never work
[E] They gonna give you a smirk
[E] 'cause they got methods
Of keeping you clean [B]
They're gonna [A] rip up your heads
Your aspir-[E]-ations to shreds
Another [B] cog in the murder mach-[E]-ine [*]

They say all [E] teenagers scare the living shit out of me
They could care less as long as [B] someone will bleed
So [A] darken your clothes
Or strike a [E] violent pose
Maybe they'll [B] leave you alone
But not [E*] me

The boys and [E] girls in the clique
[E] The awful names that they stick
You're never gonna fit in much kid [B]
But if you're [A] troubled and hurt
What you got [E] under your shirt
We'll make them [B] pay for the things that they did [E*]

They say all [E] teenagers scare the living shit out of me
They could care less as long as [B] someone will bleed
So [A] darken your clothes
Or strike a [E] violent pose
Maybe they'll [B] leave you alone
But not [E] me

Oh yeah

[A][A] [E][E] [A][A] [B][B]

They say all [E*] teenagers scare the living [E*] shit out of me
[E*] They could care less as long as [B*] someone will bleed
So [A*] darken your clothes
Or strike a [E*] violent pose
Maybe they'll [B*] leave you alone
But not [E*] me

All together now, [E] teenagers scare the living shit out of me
They could care less as long as [B] someone will bleed
So [A] darken your clothes
Or strike a [E] violent pose
Maybe they'll [B] leave you alone
But not [E*] me

[E] teenagers scare the living shit out of me
They could care less as long as [B] someone will bleed
So [A] darken your clothes
Or strike a [E] violent pose
Maybe they'll [B] leave you alone
But not [E*] me
