

Hangin' Round

Lou Reed

CHORDS USED IN THIS SONG

[G]

[G] Harry was a rich young man who [C] would become a [G] priest
 He [G] dug up his dear father who was [C] recently de-[G]-ceased
 He [A] did it with [C] tarot [G] cards and a [A] mystically [C] attuned [G] mind
 And [A] shortly [C] there and [G] after he did [D] find

[G] Jeanny was a spoiled young brat, she [C] thought she knew it [G] all
 She [G] smoked mentholated cigarettes and she [C] had sex in the [G] hall
 But [A] she was [C] not my [G] kind or [A] even [C] of my [G] sign
 The [A] kind of [C] ani-[G]-mal that I would be [D] about

[D] Oh oh oh,
 [G] you keep hangin' round me
 [C] And I'm not so glad you found me
 [G] You're still doing things that I gave up [D] years ago, *Oh oh oh oh*,
 [G] you keep hangin' round me
 [C] And I'm not so glad you found me
 [G] You're still doing things that I gave up [D] years ago, *alright now*
 [G] ah ah ah

[G] Cathy was a bit surreal, she [C] painted all her [G] toes
 And [G] on her face she wore dentures clamped [C] tightly to her [G] nose
 And [A] when she [C] finally [G] spoke her [A] twang her [C] glasses [G] broke
 And [A] no one [C] else could [G] smoke while she was in the [D] room
 [G] Hark the herald angels sang and [C] reached out for a [G] phone
 And [G] plucking it with ivory hand [C] dialed long distance [G] home
 But [A] it was [C] all too [G] much [A] sprinkling [C] angel [G] dust
 to [A] A.T. and-[C]-T. [G] Who didn't wish you [D] well

[D] Oh oh oh, [G] you keep hangin' round me
[C] And I'm not so glad you found me
[G] You're still doing things that I gave up [D] years ago, *Oh oh oh oh*,
[G] you keep hangin' round me
[C] And I'm not so glad you found me
[G] You're still doing things that I gave up [D] years ago
[G] Hangin' round, hangin' round
[G] Hangin' round, hangin' round
[G] Hangin' round, hangin' round
[G] Hangin' round, hangin' round
