[D] [D] [C][G]

I'm a [D]urban guerrilla  
I make [C] bombs in my [G] cellar  
I'm a [D] derelict dweller  
I'm a [C] potential [G] killer  
I'm a [D] street fighting dancer  
I'm a [C]revolution [G] romancer  
My [D] rising sign is Cancer  
I'm a [C] two-tone [G] panther  
So [Bb] let's not talk of love and flowers  
And [G] things that don't explode  
We've [Bb] used up all of our magic powers  
Trying to [G] do it in the road

I'm a [D] political bandit  
and you [C] just don't under-[G]-stand it  
You [D] took my dream and canned it  
It's [C] not the way I pla-[G]-nned it  
I'm [D] society's destructor  
I'm a [C] petrol bomb cons-[G]-tructor  
I'm a [D] cosmic light conductor  
I'm the [C] people's debt colle-[G]-ctor  
So [Bb] watch out Mr. Business Man,  
your [G] empire's about to blow  
I [Bb] think you'd better listen, man  
in [G] case you did not know
