[G] I guess the [Am] apple don't fall [F] far from the tree

'Cause I've been [G] looking at you so [Am] long now I [F] only see me

[G] I wanna [Am] throw the apple [F] into the sky

Feels like you [G] never under-[Am]-stand me so I [F] just want to drive

To the [G] airport [Am]

The [F] airport

The [G] airport [Am]

The [F] airport

[G\*] I guess the [Am\*] apple could turn [F\*] yellow or green

I know there's [G] lots of different [Am] nuances to you [F] and to me

[G] I wanna [Am] grow the apple, [F] keep all the seeds

But I can't [G] help but get so [Am] angry you don't [F] listen, I leave

To the [G] airport [Am]

The [F] airport

The [G] airport [Am]

The [F] airport

The [Dm] airport

The [Am] airport

The [C] airport

[C] I'm gonna drive, gonna drive all night

[F] I'm gonna drive, gonna drive all night

[Dm\*] I think the apple's rotten [Am\*] right to the core

From all the [C] things passed down from all the apples [F] coming before

[Dm] I split the apple down [Am] symmetrical lines

And what I [C] find is kind of scary, makes me [F] just want to drive

[Dm] [Am] [C] [F]

[Dm] [Am] [C] [F]

I wanna [G\*] know where you [C\*] go when you're [F\*] feeling alone

When you're [G] feeling [Am] alone, do [F] you?

I wanna [G] know where you go [Am] when you're [F] feeling alone

When you're [G] feeling [Am] alone, do [F] you?
