[F] [Am] [Gm] [Dm]

[F] No matter how hard I try, [Am] you keep pushing me aside
and I [Bb] can't break through, there's no [C] talking to you
It's so [F] sad that you're leavin', it takes [Am] time to believe it
[Bb] But after all is said and done, [C] you're gonna be the lonely one, oh

[F] Do you bel-[C]-ieve in life after love? [Gm] [Bb]
I can [F] feel something [C] inside me say
I [Gm] really don't think you're [Dm] strong enough now
[F] Do you bel-[C]-ieve in life after love? [Gm] [Bb]
I can [F] feel something [C] inside me say
I [Gm] really don't think you're [Dm] strong enough now

[F] What am I supposed to do? [Am] Sit around and wait for you
Well I [Bb] can't do that, and there's [C] no turnin' back
I need [F] time to move on, I need [Am] love to feel strong
[Bb] 'cos I've had time to think it through, [C] and maybe I'm too good for you, oh

[F] Do you bel-[C]-ieve in life after love? [Gm] [Bb]
I can [F] feel something [C] inside me say
I [Gm] really don't think you're [Dm] strong enough now.

[Dm] Well I know that I'll get [C] through this,
[Dm] 'cos I know that I am [C] strong.
And I don't [Bb] need you any more,
I don't [C] need you any more.
I don't [Bb] need you any more, [Gm]
No I don't [C] need you any more.
