[F#m\*] Rainy night and we worked all day  
[D\*] Both got jobs cause there's bills to pay  
[E\*] We got something they can't take away  
[A\*] Our love, [F#m\*] our lives

[F#m] Close the door leave the cold outside  
I [D] don't need nothing when I'm by your side  
[E] We got something that'll never die  
[A] Our dreams, [F#m] our pride

My heart [F] beats like a drum [G] (all [Am] night)  
Flesh to [F] flesh, one to one (and it's [G] alr-[Am]-ight)  
And I'll [F] never let go  
Cause there's [Am] something I know deep ins-[E]-ide [E]

You were [Am] born to be my [F] baby  
And baby I was [G] made to be your [C] man [G]  
We got [Am] something to beli-[F]-eve in  
Even if we [G] don't know where we [Am] stand  
Only [F] God would know the [C] reasons  
But I bet he [Am] must have had a [G] plan  
Cause you were [Am] born to be my [F] baby  
And baby I was [G] made to be your [Am] man

[F#m] Light a candle, blow the world away  
[D] Table for two on a TV tray  
[E] It ain't fancy baby, that's okay  
[A] Our time, [F#m] our way

So [F#m] hold me close, better hang on tight  
[D] Buckle up baby, it's a bumpy ride  
[E] Two kids hitching down the road of life  
[A] Our world, [F#m] our fight

If we [F] stand side by side [G] (all [Am] night)  
There's a [F] chance we'll get by (and it's [G] alr-[Am]-ight)  
And I'll [F] know that you'll live  
In my [Am] heart till the day that I [E] die

Cause you were [Am] born to be my [F] baby  
And baby I was [G] made to be your [C] man [G]  
We got [Am] something to beli-[F]-eve in  
Even if we [G] don't know where we [Am] stand  
Only [F] God would know the [C] reasons  
But I bet he [Am] must have had a [G] plan  
Cause you were [Am] born to be my [F] baby  
And baby I was [G] made to be your [Am] man
