I ain't [G] calling you [D] familiar, I don't [C] know your face that well
Not [G] like the shaving [D] mirror hanging [C] up inside your [D] cell
I didn't [G] call you here to [D] tell you, I didn't [C] call you here at all
'Cos I'm [G] talking to [D] myself again and you're [C] talking to the [D] wall

It would be [G] great to die [D] together on the [C] first day of the year
'Cos [G] then we'd be quite [D] legendary, [C] could you volun-[D]-teer?
I don't [G] think of you, oh do you [D] think of me, is that [C] often or not at all?
And if you [G] have to let me [D] down my friend then [C] kick me to the [D] floor

Don't let me [G] down [D] [C] (gently) if you have to [D] let me down at [G] all

Oh, [C] say it's not true [G]//
The [D] things they [D] said we do [G]//
And [C] how could [C] I explain [G]//
The [D] pleasure in the pain... They're [D] calling us insane...
Oh, the [D] knives the blood the bad the good d'yer think you could
da-da-da-da-da-da-da-oo- [G] -ooh! [D] [C] [D]

Ooo- [G] -ooh! [D] [C] [D]
