A   Bm   D   Em   F#m   G

[Bm] If you don't wanna [D] see me (see me)... [D]-[Em]

Did a full one [Em] eighty, [Bm] crazy
[G] Thinking 'bout the way I [D] was
Did the heartbreak [Em] change me, [Bm] maybe
[G] But look at where I ended [D] up [A]

I'm all [Em] good already
So [Bm] moved on, it's scary
I'm not [G] where you left me at [D] all, [A] so

[Bm] If you don't wanna [D] see me
Dancin' with some [D]-[Em] body ... [F#m]-[G]
[Bm] if you wanna [D] believe that
Anything could [D]-[Em] stop me ... [F#m]-[G*]

Don't show [Em] up, don't come [Bm] out
Don't start [G] caring about me [D] now [A]
Walk a-[Em]-way, you know [Bm] how
Don't start [G] caring about me [D*] now

Aren't you the [Em] guy who [Bm] tried to
[G] Hurt me with the word [D] goodbye
Though it took some [Em] time to... [Bm] survive you
I'm [G] better on the other [D] side [A]

I'm all [Em] good already
So [Bm] moved on, it's scary
I'm not [G] where you left me at [D] all [A] so

[Bm*] If you don't wanna [D*] see me
Dancin' with some [D*]-[Em*] body ... [F#m*]-[G*]
[Bm*] if you wanna [D*] believe that
Anything could [D*]-[Em*] stop me ... [F#m*]-[G*]

Don't show [Em] up, don't come [Bm] out
Don't start [G] caring about me [D] now [A]
Walk a-[Em]-way, you know [Bm] how
Don't start [G] caring about me [D] now [A]

[Em] (. . . wurp, wurp) [Bm] (don't come out - out, out)
[G] (Don't show up - wurp, wurp) [D] Don't start [A] now! (Oh)
[Em] (. . . wurp, wurp) [Bm] (don't come out - out)
I'm not [G] where you left me at [D] all [A] so

[Bm*] If you don't wanna [D*] see me
Dancin' with some [Em*] body ... [F#m]-[G]
[Bm*] if you wanna [D*] believe that
Anything could [Em*] stop me ... [F#m]-[G*]

Don't show [Bm] up (don't show up), don't come [D] out (don't come out)
Don't start [D]-[Em] caring-a, bout me [F#m]-[G] now (bout me now)
Walk a-[Bm]-way (walk away), you know [D] how (you know how)
Don't start [D]-[Em] caring-a, bout me [F#m]-[G] now (so)

[Bm] (. . . Wurp, wurp) [D] (don't come out - out, out)
