

Drops of Jupiter

Difficulty = 

Train

CHORDS USED IN THIS SONG

[C] [G] [F] [F]

Now [C] that she's back in the atmosphere
With [G] drops of Jupiter in her hair, hey, [F] hey, hey, hey
She [C] acts like summer and walks like rain
[G] Reminds me that there's time to change, hey, [F] hey, hey, hey
[C] Since the return from her stay on the moon
She [G] listens like spring and she talks like June, hey, [F] hey, hey, hey
Hey, hey, hey, hey

[G] Tell me did you sail across the [D] sun
Did you make it to the Milky [F] Way to see the lights all faded
[C] And that heaven is overrated
[G] Tell me, did you fall from a shooting [D] star
One without a permanent [Dm] scar
And did you miss me while you were [F] looking for yourself out there

[C] [G] [F] [F]

Now [C] that she's back from that soul vacation
[G] Tracing her way through the constellation, [F] hey, hey, hey
She [C] checks out Mozart while she does tae-bo
[G] Reminds me that there's room to grow, hey, [F] hey, hey, hey
Now [C] that she's back in the atmosphere
I'm [G] afraid that she might think of me as [F] plain ol' Jane
Told a story about a man who is too afraid to fly so he never did land

[G] Tell me did the wind sweep you off your [D] feet
Did you finally get the chance to [F] dance along the light of day
[C] And head back to the Milky Way
And [G] tell me, did Venus blow your [D] mind
Was it everything you wanted to [Dm] find
And did you miss me while you were [F] looking for yourself out there

[C] [G] [F] [F]

Can you imagine no [C] love, pride, deep-fried chicken
Your [G] best friend always sticking [F] up for you, even when I know you're wrong
Can you imagine no [C] first dance, freeze dried romance [G] five-hour phone conversation
The [Bb] best soy latte that you ever had, and [F*] me

[G] Tell me did the wind sweep you off your [D] feet
Did you finally get the chance to [F] dance along the light of day
[C] And head back toward the Milky Way
[G] Tell me did you sail across the [D] sun
Did you make it to the Milky [F] Way to see the lights all faded
[C] And that heaven is overrated
[G] Tell me, did you fall from a shooting [D] star
One without a permanent [Dm] scar
And did you miss me while you were [F] looking for yourself

[C] Na na na na na na
[G] Na na na na na na [F] na-na-na-na
And did you finally get the chance to dance along the light of day
[C] Na na na na na na
[G] Na na na na na na
And did you [F] fall from a shooting star, fall from a shooting star
[C] Na na na na na na
[G] Na na na na na na
And are ya [Bb] lonely looking for yourself [F*] out there
