

# Flagpole Sitta

Difficulty = 

## Harvey Danger

### CHORDS USED IN THIS SONG

[D] [Am] [C] [D]

[D] I had visions I was in them I was looking into the [Am] mirror  
To see a little bit [C] clearer, the rottenness and evil in [D] me  
[D] Fingertips have memories mine can't forget the curves of your [Am] body  
And when I feel a bit [C] naughty, I run it up the flagpole and [D] see  
Who salutes, but no one ever does

[D] I'm not sick but I'm not [C] well, and I'm so hot, cause I'm in [D] hell

[D] Been around the world and found that only stupid people are [Am] breeding  
The cretins cloning and [C] feeding, and I don't even own a [D] TV  
[D] Put me in the hospital for nerves and then they had to com-[Am]-mit me  
You told them all I was [C] crazy, they cut off my legs [D] now  
I'm an amputee god damn you

[D] I'm not sick but I'm not [C] well, and I'm so hot, cause I'm in [D] hell

[D] I'm not sick but I'm not [C] well, and it's a sin, to live so [D] well

[A\*] I wanna publish [G\*] 'zines, and rage against [F\*] machines  
I wanna [D\*] pierce my tongue, it doesn't hurt, it feels [A\*] fine  
The trivial [G] sublime, I'd like to turn off [F] time  
and kill my [G] mind, you kill my [Dsus2] miiiiind [Dsus2] miiiiind

[D] Paranoia, paranoia, everybody's comin' to [Am] get me  
Just say you never met [C] me, I'm runnin' underground with the [D] moles diggin' holes  
[D] Hear the voices in my head I swear to god it sounds like they're [Am] snoring  
But if you're bored then you're [C] boring, the agony and the [D] irony  
they're killing me...woah

[D] I'm not sick but I'm not [C] well, and I'm so hot, cause I'm in [D] hell

[D] I'm not sick but I'm not [C] well, and it's a sin, to live so [D] well
