[Cm] I don't know what you're [Bb] looking for

[Cm] You rip me up and spread me [Bb] all around
[F] In the dust of the [Ab] deed of [Bb] time.

[Cm] [Bb] [F] [Ab] [Bb]

[Cm] And this is not a case of [Bb] lust, you see
[F] It's not a matter of [Ab] you versus [Bb] me
[Cm] It's fine the way you want me [Bb] on your own
[F] But in the end it's always [Ab] me [Bb] alone.

And I'm [Cm*] losing my [Fm*] favourite [Bb*] game [Gm*] [Bb*]
you're [Cm*] losing your [Fm*] mind [Bb*] again [Gm*] [Bb*]

[Cm] I really thought that I could [Bb] take you there
[F] But my experiment is not [Ab] getting us [Bb] anywhere.

[Cm] [Bb] [F] [Ab] [Bb]

[Cm] I had a vision I could [Bb] turn you right
[F] a stupid mission and a [Ab] lethal [Bb] fight
[Cm] I should have seen it when my [Bb] hope was new
[F] My heart is black and my [Ab] body is [Bb] blue.

And I'm [Cm*] losing my [Fm*] favourite [Bb*] game [Gm*] [Bb*]

I'm [Cm*] losing my [Fm*] favourite [Bb*] game [Gm*] [Bb*]
