Difficulty = 

## Mark Ronson (feat. Miley Cyrus)

### CHORDS USED IN THIS SONG

[Eb\*] [Cm6\*] [F\*] [Gm\*][Gm\*]

[Eb\*] This world can hurt you

[Cm\*] It cuts you deep and leaves a [Gm\*] scar

[Am\*] Things fall [Bb\*] apart, but nothing breaks like a [Eb\*] heart

[Cm\*] And nothing breaks like a [Gm] heart

[Gm] I heard you on the phone last night

We [F] live and die by pretty lies

[Gm] You know it, oh, we both know it

[Gm] These silver bullet cigarettes

This [F] burning house, there's nothing left

It's [Gm] smoking, we both know it

[Gm] We got all night to fall in love

But [F] just like that we fall apart

We're [Gm] broken, we're broken

Mmm, [Gm\*] well nothing, nothing, nothing gon' save us now

Well, there's [Eb] broken silence

By [Cm] thunder crashing in the [Gm] dark (Crash in the dark)

And this [Eb] broken record

Spin [Cm] endless circles in the [Gm] bar (Spin 'round in the bar)

This [Eb] world can hurt you

It [Cm] cuts you deep and leaves a [Gm] scar

[Am] Things fall [Bb] apart, but nothing breaks like a [Eb] heart

Mhmm, [Cm] and nothing breaks like a [Gm] heart

[Gm] We'll leave each other cold as ice

And [F] high and dry, the desert wind

Is [Gm] blowin', is blowin'

[Gm] Remember what you said to me?

We were [F] drunk in love in Tennessee

And I [Gm] hold it, we both know it

Mmm, [Gm\*] well nothing, nothing, nothing gon' save us now
