CHORDS USED IN THIS SONG

C#   Eb   Fm

[Fm] [Fm] [C#] [Eb]
[Fm] [Fm] [C#] [Eb]

Well I [Fm] heard it.
Playing [Fm] soft.
From a [C#] drunken bar's jukebox and for a [Eb] moment I was lost
In re-[Fm]-memb'ring.
[Fm]
What I never for-[C#]-got [Eb]

[Fm] And I never felt guilty
[Fm] 'Bout the trouble that we got into
I just [C#] couldn't let that honey [Eb] hide inside of you
And [Fm] just because now it's [Fm] different
Doesn't [C#] change what it [Eb] meant

And [Fm] when I hear that song
You [Fm] know I'm only gon-
-na think about [C#] one girl
I think about [Eb] you
[Fm] When I sing this song
You [Fm] know I'm only gon-
-na sing it for [C#] one girl
Ooh ooh [Eb] ooh

Well I [Fm] heard it
Playing [Fm] loud
I never [C#] knew what it was about 'til I fell [Eb] silent in a crowd
[Fm] I just turned around.
[Fm]
and walked [C#] straight out [Eb]

[Fm] 'Cause I guess I felt guilty

[Fm] 'Bout the trouble that I caused you

[C#] Putting myself first, just [Eb] like I always do

That [Fm] doesn't change how I [Fm] feel

'Cause when I [C#] hear it, it feels [Eb] real

And [Fm] when I hear that song

You [Fm] know I'm only gon-

-na think about [C#] one girl

I think about [Eb] you

[Fm] When I sing this song

You [Fm] know I'm only gon-

-na sing it for [C#] one girl

Ooh ooh [Eb] ooh

[C#] Well, I can't forget

Things you [Eb] said or your kisses

And I [C#] keep your secrets

Where I keep your promi-[Eb]-ses

But you need my confessions

[C#] About as much as you need my lies [Eb]

And I guess it took that song to [Fm] make me, realise, realise, realise [C#] [Eb]

[Fm] [Fm] [C#] [Eb]

[Fm*] [Fm*] [C#*] [Eb*]

And [Fm*] when I hear that song

You [Fm*] know I'm only gon-

-na think about [C#*] one

I think about [Eb*] you

And [Fm*] when I hear that song

You [Fm*] know I'm only gon-

-na think about [C#*] one boy

I think about you-[Eb]-ooh

And [Fm] when I hear that song

You [Fm] know I'm only gon-

-na think about [C#] one girl

I think about [Eb] you

And [Fm] when I sing this song

You [Fm] know I'm only gon-

-na sing it for [C#] one girl

Ooh ooh [Eb] ooh
