[Cm] There's a fire start-[G]-ing in my heart,
[Bb] Reaching a fever pitch and it's [Gm] bringing me out the [Bb] dark
[Cm] Finally, I can [G] see you crystal clear
[Bb] Go ahead and sell me out and [Gm] I'll lay your ship [Bb] bare

[Cm] See how I leave, with [G] every piece of you
[Bb] Don't underestimate the [Gm] things that I will [Bb] do
[Cm] There's a fire [G] starting in my heart
[Bb] Reaching a fever pitch and it's [Gm] bringing me out the [Bb] dark

[Ab] The scars of [Bb] your love, remind me [Gm] of us.
They keep me [Ab] thinking that we almost had it all
[Ab] The scars of [Bb] your love, they leave me [Gm] breathless
I can't help [G] feeling

We could have had it [Cm] all.... [Bb] (I wish you, never had met me)
Rolling in the [Ab] deep.... (Tears are gonna fall, rolling in the deep)
You [Bb] had my heart in-[Cm]-side of your [Bb] hand (I wish you never had met me)
'N you [Ab] played it to the beat [Bb] (Tears are gonna fall rolling in the deep)

[Cm] Baby I have no [G] story to be told
But [Bb] I've heard one of you and [Gm] I'm gonna make your head [Bb] burn
[Cm] Think of me in the [G] depths of your despair
[Bb] Making a home down there, as [Gm] mine sure won't be shared
[Ab] The scars of [Bb] your love, remind me [Gm] of us
They keep me [Ab] thinking that we almost had it all
[Ab] The scars of [Bb] your love, they leave me [Gm] breathless
I can't help [G] feeling

We could have had it [Cm] all.... [Bb] (I wish you, never had met me)
Rolling in the [Ab] deep.... (Tears are gonna fall, rolling in the deep)
You [Bb] had my heart ins-[Cm]-ide of your [Bb] hand (I wish you never had met me)
'N you [Ab] played it to the beat [Bb] (Tears are gonna fall rolling in the deep)

We could have had it [Ab] all [Bb]
Rolling in the [Cm] deep [Bb]
You had my heart [Ab] inside of your hand
But you [Bb] played it with the beating

[Cm*] Throw yourself through ever open door (Whoa)
Count your blessings to find what look for (Whoa-uh)
Turn my sorrow into treasured gold (Whoa)
And pay me back in kind- You reap just what you sow

([Cm] How wish you, [Bb] never had met me) We could have had it all....
([Ab] Tears are gonna fall, rolling in the [Bb] deep) We could have had it all
([Cm] How wish you, [Bb] never had met me) It all... It all...It all.
([Ab] Tears are gonna fall rolling in the [Bb] deep)

We could have had it [Cm] all.... [Bb] (I wish you, never had met me)
Rolling in the [Ab] deep.... (Tears are gonna fall, rolling in the deep)
You [Bb] had my heart ins-[Cm]-ide of your [Bb] hand (I wish you never had met me)
'N you [Ab] played it to the beat [Bb] (Tears are gonna fall rolling in the deep)

We could have had it [Cm] all.... [Bb] (I wish you, never had met me)
Rolling in the [Ab] deep.... (Tears are gonna fall, rolling in the deep)
You [Bb] had my heart ins-[Cm]-ide of your [Bb] hand (I wish you never had met me)
But you [Ab] played it, you played it, you played it, you played it to the beat
[Cm]
