[E] I can feel the earth begin to move
I hear my needle hit the [D] groove
And spiral through another day
I hear my song begin to [E] say
Kiss me where the sun don't shine
The past was yours
But the future's [D] mine
You're all out of time

[E] I don't feel too steady on my feet
I fe-el hollow I feel [D] weak
Passion fruit and holy bread
Fill my guts and ease my [E] head
Through the early morning sun
I can see her, here she [D] comes
She bangs the drums

[A] Have you [D] seen her, have you [A] heard
The way she [D] plays? There are no [A] words
To [D] describe the way I [E] feel
[A] How could it [D] ever come to [A] pass?
She'll be the [D] first, she'll be the [A] last
To [D] describe the way I [E] feel
The way I feel
