CHORDS USED IN THIS SONG

We go tog-[C#m]-ether [E] [B]
Better than birds of a [C#m] feather, you [E] and [B] me
We change the [C#m] weather, yeah [E] [B]
I'm feeling heat in [C#m] December when [E] you're 'round [B] me

I've been [C#m] dancing on top of [E] cars and [B] stumbling out of bars
I [C#m] follow you through the [E] dark, can't [B] get enough
You're the [C#m] medicine and the [E] pain, the [B] tattoo inside my brain
And, [C#m] baby, you know it's [E] obvious [B*]

I'm a sucker for you [C#m] [F#m] [B]
You say the [E] word and I'll go [A] anywhere blindly [G#]
I'm a sucker for you, yeah [C#m] [F#m] [B]
Any [E] road you take, you [A] know that you'll find me [G#]
I am a sucker for [C#m] all the [F#m] subliminal [B] things
No one [E] knows about [A] you (About you), about [G#] you (About you)
And you're [C#m] making the [F#m] typical [B] me break my [E] typical rules [A]
It's [G#*] true, I'm a sucker for you, [C#m] yeah [E][B*]

Don't complicate [C#m] it (Yeah) [E] [B]
'Cause I know you and you know [C#m] everything [E] about me [B]
I can't [C#m] remember [E] (Yeah) [B] all of the nights
I don't [C#m] remember when you're [E] 'round me [B] (Oh, yeah, yeah)

I've been [C#m] dancing on top of [E] cars and [B] stumbling out of bars
I [C#m] follow you through the [E] dark, can't [B] get enough
You're the [C#m] medicine and the [E] pain, the [B] tattoo inside my brain
And, [C#m] baby, you know it's [E] obvious [B*]

I'm a sucker for you [C#m] [F#m] [B]

No one [E] knows about [A] you (About you), about [G#] you (About you)
And you're [C#m] making the [F#m] typical [B] me break my [E] typical rules [A]
It's [G#*] true, I'm a sucker for [C#m] you, [E] [B] yeah [B]
