She [Dm] took my heart, left me for dead  
And [Bb] drank my blood, told [Gm] me she [F] said  
"Our [Dm] secret's worth its weight in gold  
But that [Bb] fire we had, now's [Gm] turning [F] cold"

[Dm] Cut loose like an animal  
Fired out like a cannon ball  
But I [Bb] waited too long  
Yeah, I [Gm] waited too long  
[Dm] Got high from a holy vein  
Crashed down in a hurricane  
Love has [Bb] been here and gone  
Love has [Gm] been here and gone

Where [Dm] did you go? Where did you run?  
I [Bb] can't erase [Gm] what you've [F] done  
Let's [Dm] burn the past, forget the truth  
I'm still [Bb] more than him, I'm still [Gm] loving [F] you

[Bb] [Gm]

[Dm] Cut loose like an animal  
Fired out like a cannon ball  
But I [Bb] waited too long  
Yeah, I [Gm] waited too long  
[Dm] Got high from a holy vein  
Crashed down in a hurricane  
Love has [Bb] been here and gone  
Love has [Gm] been here and gone

[Bb] [Gm]

[Dm] Cut loose like an animal  
Fired out like a cannon ball  
But I [Bb] waited too long  
Yeah, I [Gm] waited too long  
[Dm] Got high from a holy vein  
Crashed down in a hurricane  
Love has [Bb] been here and gone  
Love has [Gm] been here and gone

But I [Bb] waited too long  
For you [Am] only  
Love has [Bb] been here and gone  
To die [Am] slowly  
Going [Bb] under again  
So don't [Em] follow [Dm] me
