CHORDS USED IN THIS SONG

[G] I could go and read your mind
Think about your dumb face all the [D] time
Living in your glass house, I'm [A] outside
[G] Mm, looking in her big blue eyes
Did it just to hurt me, make me [D] cry
Smiling through it all, yeah, that's my [A] life

You're an [G] idiot
Now I'm sure
Now I'm [Bm] positive
I should [A*] go and warn her

[G] Ooh, bet you're thinking she's so [Bm] cool
Kicking [A] back on your couch, making eyes from across the
[G] room, wait, I think I've been there [Bm] too [A] Ooh

[G] What'd she do to get you off?
Taking down her hair like "Oh my [D] god"
Taking off your shirt, I did that [A] once or twice
[G] Uh, No, I know, and I'll fuck off
But I think I like her, she's so [D] fun
Wait, I think I hate her, I'm not [A] that evolved

I'm sorry she's [G] missing it
Sad, sad boy
Not my [Bm] business
But I [A] had to [A*] warn you

[G] Ooh, bet you're thinking she's so [Bm] cool
Kicking [A] back on your couch, making eyes from across the [G] room
Wait, I think I've been there [Bm] too [A]

[G] Ooh, you've got me thinking she's so [Bm] cool
But I [A] know what I know and you're just another [G] dude
Ooh that's so [Bm] true [A]

Made it out [G] alive, but I think I lost it
Said that I was [Bm] fine, said it from my coffin
Remember how I [D] died when you started walking
That's my [A] life, that's my life
I'll put up a [G] fight, taking out my earrings
Don't you know the [Bm] vibe? Don't you know the feeling?
You should spend the [D] night, catch me on your ceiling
That's your [A] price, that's your price, well

[G*] Ooh, [G*] bet you're thinking she's so [D*] cool
Kicking [A*] back on your couch, making eyes from across the [G*] room
Wait, I think I've been there [D] too [A]

[G] Ooh, you've got me thinking she's so [Bm] cool
But I [A] know what I know and you're just another [G] dude
Ooh that's so [Bm] true
[A*] Ooh-ooh-ooh
