Inside I'm [F#m] stuck here staring at a [D] ceiling
[E] You put up to keep me [C] down, down, down, down, down

[D] Waking up without a name [A]
Opening my [E] eyes
Knowing nothing is the same
[D] Circling around a [A] drain
As I [E] realise that there's no one else to blame [*]

You keep me [F#m] waiting, down [E] here, so far below
Staring [D] up from the [A] bottom, [E] up from the [C] bottom
I try [F#m] escaping, but there's [E] nowhere to go

[D*] Everybody out, that devil is coming
Poison on his lips, and his words mean nothing
[F#m*] Cruel like a mountaintop, father never loved him
Mama said he's bad enough [A*] times that it sunk in
[D*] Everybody out, that devil is coming
Promise you the world, but he's always bluffing
[F#m*] Before you even know it's a trap you're stuck in
He's gone like a ghost, already off running
