CHORDS USED IN THIS SONG

[D] [D] [D] [D]

Blue Monday

Blaring loudly out the [A] speakers
Fluorescent liquid in his [G] beaker
Another night they've gone too [D] far

She said

I don't usually do this [A] kind of thing
Does it change the way you [G] think of me?
Thinking isn't his forte [D]

And she said [G]

If you [A] dance with me, darling [G]
If you [A] take me home [G]
Will we [A] talk in the morning? [D] [D]

They leave

Weave around the night's com-[A]-motion
And dodge a Mexican [G] standoff
And catch a cab back to his [D] flat

There's no romance

Sprawled out across the [A] couch
Can't even make his fucking [G] face out
An age old ritual [D]

And she said [G]

If you [A] dance with me, darling [G]
If you [A] take me home [G]
Will we [A] talk in the morning? [D] [D]

[Bm] Sometimes I close my [A] eyes
And [G] sometimes, I see you're [A] fine

And she said [G]

If you [A] dance with me, darling [G]

If you [A] take me home [G]

Will we [A] talk in the morning? [D]//// [D]//// [D]//// [D]/
