We'll be [A] fighting in the [D] streets, with our [A] children at our [D] feet,
And the [A] morals that they [D] worship will be [E] gone. [C]/ [G]/
And the [A] men who spurred us [D] on sit in [A] judgement of all [D] wrong,
They [A] decide and the [D] shotgun sings the [E] song. [C]/ [G]/

I'll [D] tip my [A] hat to the [D] new [A] constitution
[D] Take a [A] bow for the [D] new [A] revolution,
[D] Smile and [A] grin at the [D] change all [A] around,
[G] Pick up my guitar and [E] play
[G] Just like [E] yesterday,
And I'll [G] get on my knees and [D] pray. [D]

[D*] We don't get fooled again

I'll [B] move myself, and my family aside,
[E] If we happen to be left half alive,
I'll [A] get all my papers and smile at the sky,
Though I [B] know that the hypnotised never lie.

There's [A] nothing in the [D] streets
Looks [A] any different to [D] me
And the [A] slogans are [D] replaced, by the [E] bye [C]/ [G]/
And the [A] parting on the [D] left
Is now a [A] parting on the [D] right
And the [A] beards have all grown [D] longer over [E] night [C]/ [G]/

I'll [D] tip my [A] hat to the [D] new [A] constitution
[D] Take a [A] bow for the [D] new [A] revolution,
[D] Smile and [A] grin at the [D] change all [A] around,
[G] Pick up my guitar and [E] play
[G] Just like [E] yesterday,
And I'll [G] get on my knees and [D] pray.
