CHORDS USED IN THIS SONG

[F*]

What I [F] want you've got, and it might be hard to handle
Like the [F] flame that burns the candle, the [Gm] candle [Am] feeds the [Bb] flame (yeah, yeah)
What I've [F] got's full stock of thoughts and dreams that scatter
Then you [F] pull them all together and a [Gm] how I [Am] can't [Bb] explain (oh yeah)

Well, well [Gm] you ... (oo-oooh, ooh, ooh ooh)
[C] You make my dreams come [F] true (oo-oooh, you, you you-oooh, you-oooh)
[Gm] Well, [Am] well, well [Bb] you, oh, yeah
[C] You make my dreams come [F] true (oo-oooh, you, you you-oooh, you-oooh) (well yeah) [*]

On a [F] night when bad dreams become a screamer
When they're messin' with the dreamer, I can [Gm] laugh it [Am] in the [Bb] face
Twist and [F] shout way out, and wrap yourself around me
'Cos I ain't the way you found me, and I'll [Gm] never [Am] be the [Bb] same, (oh yeah)

Well, 'cos [Gm] you(oo-oooh, you, you you-oooh, you-oooh)
[C] You make my dreams come [F] true (oo-oooh, you, you you-oooh, you-oooh) (whoa yeah)
[Gm] Well, [Am] well, well [Bb] you ... Oh, yeah
[C] You make my dreams come [F] true (oo-oooh, you, you you-oooh, you-oooh) (whoa yeah)
