

# You're Gonna Go Far, Kid

Difficulty = 

## The Offspring

### CHORDS USED IN THIS SONG

[Am\*] Show me how to lie, you're getting [F\*] better all the time  
And turning [C\*] all against the one, is an [G\*] art that's hard to teach  
[Am\*] Another clever word, sets off an [F\*] unsuspecting herd  
And as you [C\*] step back into line, a [G\*] mob jumps to their feet

Now [Am] dance, fucker, dance, man, he [F] never had a chance  
And [C] no one even knew, it was [G] really only you  
And now you [F] steal away, take him [Dm] out today  
Nice [F] work you did, you're gonna go [E] far, kid [G]///

With a [Am] thousand lies, and a [F] good disguise  
Hit 'em [C] right between the eyes, hit 'em [G] right between the eyes  
When you [Am] walk away, nothing [F] more to say  
See the [C] lightning in your eyes, see 'em [G] running for their [Am\*] lives

[Am\*] Slowly out of line, and drifting [F\*] closer in your sights  
So play it [C\*] out I'm wide awake, it's a [G\*] scene about me  
There's [Am\*] something in your way, and now [F\*] someone is gonna pay  
And if you [C\*] can't get what you want, well it's [G\*] all because of me

Now [Am] dance, fucker, dance, man, I [F] never had a chance  
And [C] no one even knew, it was [G] really only you  
And now you'll [F] lead the way, show the [Dm] light of day  
Nice [F] work you did, you're gonna go [E] far, kid [G\*] Trust [G\*] dec-[G\*]-eived

With a [Am] thousand lies, and a [F] good disguise  
Hit 'em [C] right between the eyes, hit 'em [G] right between the eyes  
When you [Am] walk away, nothing [F] more to say  
See the [C] lightning in your eyes, see your [G] running for their [Am] lii-[Em]i-i-

[F]-ives[F] [C] [C] [E] [E] [Am] [G]  
[F] [F] [C] [C] [E] [E] [E] [G]

Now [Am\*] dance, fucker, dance, he [F\*] never had a chance  
[C\*] And no one even knew, it was [G\*] really only you  
So [Am\*] dance, fucker, dance,  
I [F\*] never had a chance, it [C\*] was really only you [G]///

[G] With a [Am] thousand lies, and a [F] good disguise  
Hit 'em [C] right between the eyes  
Hit 'em [G] right between the eyes  
When you [Am] walk away  
Nothing [F] more to say  
See the [C] lightning in your eyes  
See your [G] running for their [Am] lives  
Clever alibis, Lord [F] of the flies  
Hit 'em [C] right between the eyes  
Hit 'em [G] right between the eyes  
When you [Am] walk away  
Nothing [F] more to say  
See the [C] lightning in your eyes  
See your [G] running for their [Am] lives [G]//
